**Home Game Directions** - Check [www.kickapoosoccer.com](http://www.kickapoosoccer.com) for updates.

**Kickapoo High School** - MOST home games are played at KHS, but please check the schedule. KHS is located at 3710 S. Jefferson Springfield, MO 65807 on the northeast corner of Jefferson and Primrose on the south side of Springfield. The soccer fields are just East of the school on Primrose with parking between the school and the fields.

**JFK Stadium (City of Springfield)** - 1333 S. Grant Ave Springfield, MO 65807; less than 1 mile north of Sunshine. Grant is .03 mile west of Campbell and about a mile east of Kansas. From KHS take Campbell North to Sunshine (Bass Pro is on your left). Turn left on Sunshine then right on Grant. You can see the stadium on your left on Grant. Main parking is just before the stadium on the left, overflow parking is on the right as well as just past the stadium on the left along Meadowmere.

**Cooper Sports Complex (City of Springfield)** - 2701 E. Pythian Springfield, MO 65802. Northeast side of Springfield. You can get to Cooper from several directions. While your best is to check the map, here are two ways to get there once in Springfield; Glenstone to Chestnut and head east to Pythian. Left on Pythian as Chestnut starts to curve right. Go past the first set of soccer fields, the tennis courts and the baseball fields on the left (as well as the lake Country indoor soccer facility on the right). The fields will be on your left. You can also take highway 65 to Chestnut and head west on Chestnut (back towards town). Turn right on Ceaderbrooke then left on Pythian. Fields are on the right.
